Notes to Editors:

Byotrol plc (BYOT.L), quoted on AIM, is a leading anti-microbial technology company, operating globally in the Food, Industrial, Healthcare and Consumer sectors, providing low toxicity products with a broad-based and long-lasting efficacy across all microbial classes; bacteria, viruses, fungi, moulds, mycobacteria and algae.

Powerful, long-lasting and gentle, Byotrol's products can be used stand-alone or as ingredients within existing products, where Byotrol can significantly improve their performance, especially in personal hygiene, domestic and industrial disinfection, odour control, food production and food management.

Founded in 2005, the Company develops technologies that create easier, safer and cleaner lives for everyone.
