

## **Byotrol plc ("Byotrol" or the "Company")**

### **Exercise of Options and Total Voting Rights**

Byotrol plc (AIM: BYOT), the anti-microbial technology company, announces that it has allotted a total of 595,000 new ordinary shares of 0.25 pence each in the capital of the Company ("**Ordinary Shares**") following the exercise of options by a former employee.

Application has been made for the 595,000 new Ordinary Shares to be admitted to trading on AIM ("**Admission**") and it is expected that Admission will become effective and trading will commence at 8.00 a.m. on 3 November 2021.

After Admission, the total number of Ordinary Shares in issue will be 453,890,405 and the total number of voting rights will therefore be 453,890,405. This figure may be used by shareholders as the denominator for the calculations by which they will determine if they are required to notify their interest in, or a change to their interest in, the share capital of the Company under the FCA's Disclosure and Transparency Rules.
