EXPLANATORY NOTES:

Resolution 5 – Directors' power to allot securities

Under section 551 of the Act, shares may only be issued with the consent of the shareholders, unless the shareholders pass a resolution generally authorising the directors to issue shares without further reference to the shareholders. As well as authorising the allotment of shares, this resolution authorises the general issue of a number of shares equal to one third of the issued ordinary share capital of the Company at the date of the meeting and a further issue of a number of shares equal to a further one third of the issued share capital of the Company at the date of the meeting for the purposes of fully pre-emptive rights issues. Such authorities will expire at the conclusion of the next annual general meeting of the Company or the date which is 6 months after the next accounting reference date of the Company (whichever is the earlier).

Resolution 6 – Disapplication of pre-emption rights on equity issues for cash

Section 561 of the Act requires that a company issuing shares for cash must first offer them to existing shareholders following a statutory procedure which, in the case of a rights issue, may prove to be both costly and cumbersome. As well as authorising the allotment of shares, this resolution excludes that statutory procedure as far as rights issues are concerned. It also enables the directors to allot a number of shares equal to 10 per cent of the issued share capital of the Company at the date of the meeting, subject to resolution 5 being passed. The directors believe that the limited powers provided by this resolution will maintain a desirable degree of flexibility. Unless previously revoked or varied, the disapplication will expire on the conclusion of the next annual general meeting of the Company or on the date which is 6 months after the next accounting reference date of the Company (whichever is the earlier).

Resolution 7 – Purchase of own shares

This resolution authorises the Company to make market purchases of up to 45,389,040 of its own ordinary shares, representing approximately one tenth of the issued ordinary share capital of the Company as at the date of the notice of meeting.

The resolution specifies the minimum and maximum prices which may be paid for ordinary shares and will expire at the conclusion of the next annual general meeting of the Company or on 30 September 2023, whichever is sooner.

The Directors have no present intention to make market purchases of ordinary shares. The Directors will only purchase ordinary shares where they consider that such purchases will be in the best interests of shareholders generally and will result in an increase in earnings per ordinary share.

The Company may either cancel any shares it purchases or transfer them into treasury (and subsequently sell or transfer them out of treasury or cancel them).
