Notes to Editors:

Byotrol plc (BYOT.L), quoted on AIM, is a leading infection prevention and control company, operating globally in the animal health, human health, facilities management, and consumer sectors.

Byotrol develops unique antimicrobial technologies for use on surfaces, skin and instruments, which it then commercialises through market-leading distribution partners in each sector.

Byotrol's antimicrobial technologies can be licensed for use in leading brands, to significantly improve their product claims, while reassuring consumers and end-users of their efficacy and quality.

Founded in 2005, the Company develops technologies and products with the aim of providing easier, safer and cleaner lives for everyone.
