

Byotrol plc
("Byotrol" or the "Company")

Board changes

Byotrol Plc (AIM: BYOT), the specialist infection prevention and control company, announces that Vivan Pinto, CEO of the Company, has stepped down as CEO and left the Company to pursue other opportunities.

David Traynor formerly Byotrol CEO 2013 – 2022 has kindly agreed to act as interim CEO until a suitable replacement for Vivan is appointed.

Trevor Francis, Chairman of Byotrol, commented:

"From the time that Vivan took over from David Traynor as CEO, he was committed to drive forward the Company strategy and build the organisation for the exciting opportunities that we all believe are achievable. The Board thanks Vivan for all his efforts over the last 20 months and would like to wish Vivan well for the future".

Notes to Editors:

Byotrol plc (BYOT.L), quoted on AIM, is a specialist infection prevention and control company, operating globally in the Healthcare, Industrial, Food and Consumer sectors, providing low toxicity products with a broad-based and targeted efficacy across all microbial classes; bacteria, viruses (including coronavirus), fungi, moulds, mycobacteria and algae.

Byotrol's products can be used stand-alone or as ingredients within existing products, where they can significantly improve their performance, especially in personal hygiene, domestic and industrial disinfection, odour control, food production and food management.

Byotrol develops and commercialises technologies that create easier, safer and cleaner lives for everyone.
