Dear Shareholder,

Proposed cancellation of admission of Ordinary Shares to trading on AIM
Re-registration as a private limited company
Adoption of New Articles
Capital Reorganisation, authority to allot Ordinary Shares
and disapply pre-emption rights
and
Notice of General Meeting

1. Introduction

As announced by the Company today, the Board has concluded that it is in the best interests of the Company and its Shareholders to cancel the admission of the Company's Ordinary Shares to trading on AIM. Pursuant to Rule 41 of the AIM Rules, the Company (through its nominated adviser, Cavendish) has notified the London Stock Exchange of the date of the proposed Cancellation.

The Cancellation is conditional, pursuant to Rule 41 of the AIM Rules, upon the approval of not less than 75 per cent. of the votes cast by Shareholders (whether present in person or by proxy) at the General Meeting, notice of which is set out in Part IV of this Circular.

The Directors have also concluded that it is in the best interests of the Company and its Shareholders for the Company to re-register as a private company and adopt the New Articles following the Cancellation. The Re-registration and adoption of New Articles are conditional upon the Cancellation becoming effective and the approval of not less than 75 per cent. of the votes cast by Shareholders (whether present in person or by proxy) at the General Meeting.

Shortly after the Cancellation and Re-registration the Company intends to effect an equity fundraising by way of the Placing to raise up to £500,000. The Placing is conditional on, *inter alia*, binding agreements to subscribe for Ordinary Shares being signed with investors and the passing of Resolutions 5 and 6 at the General Meeting.

In addition, subject to shareholder approval, the Board proposes a Capital Reorganisation to provide the Board with the flexibility it considers necessary to facilitate the Placing and future fundraisings by the Company, for the reasons explained below.

The Company is therefore seeking Shareholders' approval of the Proposals at the General Meeting which has been convened for 11:00 a.m. on 22 April 2024 at the offices of Fieldfisher LLP, Riverbank House, 2 Swan Lane, London EC4R 3TT.

The purpose of this Circular is to:

- (a) provide you with the information on the background to and reasons for the Proposals, explain the consequences of the Capital Reorganisation, Cancellation and the Re-registration and why the Directors unanimously consider the Proposals to be in the best interests of the Company and its Shareholders as a whole; and
- (b) seek Shareholders' approval for the Resolutions.

The Notice of the General Meeting is set out in Part IV of this Circular.

2. Background and reasons for Cancellation

As announced by the Company today, the Directors have conducted a careful review of the benefits and drawbacks to the Company and the Shareholders in retaining the Company's quotation on AIM and believe that the Cancellation is in the best interests of the Company and the Shareholders as a whole.

In reaching this conclusion, the Board has consulted certain Shareholders and has considered the following key factors amongst others:

- (a) **Costs and Regulatory Burden:** The considerable cost and management time and the legal and regulatory burden associated with maintaining the Company's admission to trading on AIM are, in the Board's opinion, disproportionate to the benefits of the Company's continued admission to trading on AIM. Given the lower costs associated with unlisted company status, it is estimated that the Cancellation will materially reduce the Company's recurring administrative and adviser costs by at least £250,000 per annum, which the Board believes would be a significant reduction in overhead cost burden that in turn would allow for cash to be invested directly into supporting the longer-term growth strategy of the business. In addition to this are savings that will come from revising the Board structure to better suit a private unlisted company. The Board also believes that a delisting could allow for a period of restructuring, cost reduction and a positioning of the Company that would benefit all shareholders in the longer term.
- (b) **Lack of liquidity:** There continues to be limited liquidity in the Ordinary Shares and, as a result, the Board believes that Shareholders are not provided with opportunities to trade in meaningful volumes or with frequency in an active market in Ordinary Shares.
- (c) **Market volatility:** As a result of the limited liquidity of Ordinary Shares described above, small trades in Ordinary Shares can have a significant impact on price and, therefore, market valuation which, the Board believes, in turn has a materially adverse impact on: (a) the Company's status within its industry; (b) the perception of the Company among its customers, suppliers and other partners; (c) staff morale; and (d) the Company's ability to seek appropriate financing or realise an appropriate value for any material future sales or disposals.
- (d) **Challenges related to the Company's position as a micro-cap stock:** Growing the company, a UK micro-cap stock, comes with a range of challenges, which, in the Board's view, stem from the Company's small market valuation, limited resources, and the dynamic nature of the market. These challenges include, but are not limited to: (a) access to capital; (b) a lack of visibility amongst analysts, media and potential investors; (c) increased volatility in Company valuation unrelated to Company performance leading to higher risk perception; and (d) an aversion from potential new investors seeking stability and a valuation that aligns with Company performance. For these reasons, the Board believes that the Company is unlikely to attract the material investment it requires from third party equity investors whilst current market conditions continue to prevail, and does not see such conditions changing in the medium term. Consequently, the Board believes that the most likely source of future funds would be through private capital and debt funding. Furthermore, the UK small and micro-cap markets have changed significantly since the Company's IPO and the Directors believe that the Company's current public market valuation reflects neither the current status of the business nor its underlying potential.
- (e) **Strategic flexibility:** The Board believes that an unlisted company can take and implement decisions more quickly than a company which is publicly traded as a result of the more flexible regime that is applicable to a private company.
- (f) **Governance:** Even after the Cancellation, the Board is committed to continued rigorous corporate governance procedures for the protection of all Shareholders and investors; and

- (g) Future Trading of Shares: The Board believes that it can make satisfactory arrangements for Shareholders to freely transfer their shares periodically via an auction-based secondary market trading facility (see paragraph 7 of this Part for further details)

Therefore, following careful consideration, the Board believes that it is in the best interests of the Company and Shareholders to seek the proposed Cancellation at the earliest opportunity in line with AIM Rule 41, along with re-registration and associated adoption of the New Articles.

3. Process for, and principal effects of, the Cancellation

The Directors are aware that certain Shareholders may be unable or unwilling to hold Ordinary Shares in the event that the Cancellation is approved and becomes effective. **Such Shareholders should consider selling their interests in the market prior to the Cancellation becoming effective.**

Under the AIM Rules, the Company is required to give at least 20 clear Business Days' notice of Cancellation. Additionally, Cancellation will not take effect until at least five clear Business Days have passed following the passing of the Cancellation Resolution.

If the Cancellation Resolution is passed at the General Meeting, it is proposed that the last day of trading in Ordinary Shares on AIM will be 29 April 2024 and that the Cancellation will take effect at 7.00 a.m. 30 April 2024.

The principal effects of the Cancellation will be that:

- (a) there will no longer be a formal market mechanism enabling Shareholders to trade their Ordinary Shares on AIM (or any other recognised market or trading exchange);
- (b) however, the Ordinary Shares will remain freely transferable and an auction-based secondary market trading facility is intended to be set up through Asset Match Limited for a period following Cancellation (see paragraph 7 below for further details). Notwithstanding this, the Ordinary Shares may be more difficult to sell compared to shares of companies traded on AIM. It is possible that, following the publication of this Circular, the liquidity and marketability of the Ordinary Shares is reduced and their value adversely affected (however, as set out above, the Directors believe that the existing liquidity in the Ordinary Shares is in any event limited);
- (c) it may be more difficult for Shareholders to determine the market value of their investment in the Company at any given time;
- (d) the Company will no longer be subject to the AIM Rules and, accordingly, Shareholders will no longer be afforded the protections given by the AIM Rules. In particular, the Company will not be bound to:
 - make any public announcements of material events, or to announce interim or final results;
 - comply with any of the corporate governance practices applicable to AIM companies;
 - announce substantial transactions and related party transactions; or
 - comply with the requirement to obtain shareholder approval for reverse takeovers and fundamental changes in the Company's business;
- (e) the Company will no longer be subject to UK MAR regulating inside information and other matters;
- (f) the Company will no longer be required to publicly disclose any change in major shareholdings in the Company under the Disclosure Guidance and Transparency Rules;
- (g) the Company will cease to retain a nominated adviser and broker; and
- (h) whilst the Company's CREST facility will remain in place immediately following the Cancellation the Company's CREST facility may be cancelled in the future and, although the Ordinary Shares will remain transferable, they may cease to be transferable through CREST (in which case, Shareholders who hold Ordinary Shares in CREST will receive share certificates);
- (i) stamp duty will be due on transfers of shares and agreements to transfer shares unless a relevant exemption or relief applies to a particular transfer; and

- (j) the Cancellation and Re-registration may have personal taxation consequences for Shareholders. Shareholders who are in any doubt about their tax position should consult their own professional independent tax adviser.

The above considerations are not exhaustive, and Shareholders should seek their own independent advice when assessing the likely impact of the Cancellation on them.

The Company currently intends that it will continue to provide certain facilities and services to Shareholders that they currently enjoy as shareholders of an AIM company following the proposed Cancellation. It is intended that the Company will continue to:

- (a) communicate information about the Company (including annual accounts) to its Shareholders, as required by law; and
- (b) maintain its website and to post updates on the website from time to time, although Shareholders should be aware that there will be no obligation on the Company to include all of the information required under AIM Rule 26 or to update the website as required by the AIM Rules.

4. Re-registration

Following the proposed Cancellation, the Board believes that the requirements and associated costs of the Company maintaining its public company status will be difficult to justify and that the Company will benefit from the more flexible requirements and lower overhead costs associated with private limited company status. It is therefore proposed to re-register the Company as a private limited company.

In connection with the Re-registration, it is proposed that the New Articles be adopted to reflect the change in the Company's status to a private limited company. The principal effects of the adoption of the New Articles on the rights and obligations of Shareholders and the Company are summarised in Part II of this Circular.

Subject to and conditional upon the Cancellation and the passing of the Re-registration Resolution, application will be made to the Registrar of Companies for the Company to be re-registered as a private limited company. Re-registration will take effect when the Registrar of Companies issues a certificate of incorporation on Re-registration. The Registrar of Companies will not issue the certificate of incorporation on Re-registration until the Registrar of Companies is satisfied that no valid application can be made to cancel the resolution to re-register as a private limited company.

If the Cancellation Resolution and the Re-registration Resolution are passed at the General Meeting and the Registrar of Companies issues a certificate of incorporation on Re-registration, it is anticipated that the Re-registration will become effective by 21 May 2024.

5. Process for Cancellation and Re-registration

Under the AIM Rules, it is a requirement that Cancellation must be approved by not less than 75 per cent. of votes cast by shareholders at a general meeting. Accordingly, the Notice of General Meeting set out in Part IV of this Circular contains a special resolution (Resolution number 1) to approve the Cancellation.

Furthermore, Rule 41 of the AIM Rules requires any AIM company that wishes the London Stock Exchange to cancel the admission of its shares to trading on AIM to notify shareholders and to separately inform the London Stock Exchange of its preferred cancellation date at least 20 Business Days prior to such date. In accordance with AIM Rule 41, the Directors (through the Company's nominated adviser, Cavendish) have notified the London Stock Exchange of the Company's intention, subject to the Cancellation Resolution being passed at the General Meeting, to cancel the Company's admission of the Ordinary Shares to trading on AIM on 30 April 2024.

Under the Companies Act 2006, it is a requirement that re-registration and adoption of new articles of association must be approved by not less than 75 per cent. of votes cast by shareholders at a general meeting. Accordingly, the Notice set out in Part IV of this Circular contains a special resolution (Resolution number 2) to approve the Re-registration and adoption of the New Articles.

6. Transactions in the Ordinary Shares following the proposed Cancellation

Shareholders should note that they are able to trade in the Ordinary Shares on AIM prior to the Cancellation.

The Board is aware that the proposed Cancellation, should it be approved by Shareholders at the General Meeting, would make it more difficult to buy and sell Ordinary Shares in the Company following the Cancellation. Therefore, the Company has arranged a secondary market trading facility to assist Shareholders to trade in the Ordinary Shares, and this will be put in place from the day of Cancellation.

7. Secondary market trading facility

The secondary market trading facility will be provided by Asset Match and will be reviewed on an annual basis. This facility will allow existing shareholders of the Company, and new investors, to trade Ordinary Shares by matching buyers and sellers through periodic auctions. Asset Match operates an open auction system where volumes of bids and offers at different prices are displayed on its website together with the closing date of the auction. At the end of each auction period Asset Match passes this information through a non-discretionary algorithm that determines a "fair" share price based on supply and demand and allocates transactions accordingly. Bids and offers may be made and withdrawn at any time before the closing date of each auction.

Shareholders will continue to be able to hold their shares in uncertificated form (i.e. in CREST) and should check with their existing stockbroker whether they are willing or able to trade in unquoted shares. Shareholders wishing to trade shares through Asset Match must do so through a stockbroker and a comprehensive list of stockbrokers who have signed up to access the Asset Match platform is available on request.

Should the Cancellation become effective and the Company put in place the secondary market trading facility, details will be made available to Shareholders on the Company's website at www.Byotrolplc.com and directly by letter or e-mail (where appropriate).

Further information about the secondary market trading facility, including indicative prices and a history of transactions, will be available on the Asset Match website which is located at www.assetmatch.com.

Should Cancellation proceed, Shareholders may contact Asset Match in relation to any queries regarding trading via the secondary market trading facility by emailing dealing@assetmatch.com.

8. Takeover Code

Notwithstanding the Cancellation and Re-registration, under the Takeover Code the Company will continue to be subject to its terms for a period of 10 years following the Cancellation (subject to the Re-registration occurring). However, the Takeover Code may cease to apply earlier if a majority of the Directors cease to be resident in the UK, Channel Islands or Isle of Man.

Following the expiry of the 10 year period from the date of the Cancellation (subject to the Re-registration occurring), or such other date on which the Takeover Code ceases to apply to the Company, the Company will no longer be subject to the provisions of the Takeover Code. **A summary of the protections afforded to Shareholders by the Takeover Code which will be lost is set out in Part III of this Circular.** Protections include the requirement for a mandatory cash offer to be made if either:

- a person acquires an interest in shares which, when taken together with the shares in which persons acting in concert with it are interested, increases the percentage of shares carrying voting rights in which it is interested to 30 per cent. or more; or
- a person, together with persons acting in concert with it, is interested in shares which in the aggregate carry not less than 30 per cent. of the voting rights of a company but does not hold shares carrying more than 50 per cent. of such voting rights and such person, or any person acting in concert with it, acquires an interest in any other shares which increases the percentage of shares carrying voting rights in which it is interested.

Rule 9 of the Takeover Code further provides that where any person, together with persons acting in concert with him, holds over 50 per cent. of the voting rights of a company to which the Takeover Code applies and acquires additional shares which carry voting rights, then that person will not generally be required to make a general offer to the other shareholders to acquire the balance of the shares not held by that person or his concert parties.

Before giving your consent to the Cancellation and Re-registration, you may want to take independent professional advice from an appropriate independent financial adviser.

9. The Placing

Shortly after the Cancellation and Re-registration the Company intends to effect an equity fundraising by way of the Placing to raise up to £500,000. The Placing is conditional on, *inter alia*, binding agreements to subscribe for Ordinary Shares being signed with investors and the passing of Resolutions 5 and 6 at the General Meeting.

In order to give the Directors the ability to agree and complete the Placing after the Cancellation and Re-registration we are asking Shareholders to approve Resolutions 5 and 6 at the General Meeting.

10. Capital Reorganisation

The Company presently has 453,890,405 Existing Ordinary Shares of 0.25p each in issue. The mid-market price of the Existing Ordinary Shares as at 27 March 2024 (being the latest practicable date prior to publication of this Circular) is 0.375 pence per Existing Ordinary Share.

As the Company is not permitted by law to issue shares at an issue price which is below their nominal value, the Company's ability to raise funds from investors is limited due to the proximity of the mid-market price of the shares to their nominal value. Whilst the Board's objective is to achieve the highest possible issue price for the Company when issuing shares, it is cognisant that, given current market conditions, the Company may be unable to issue shares at a sufficient discount to their market price in order to attract further equity investment into the business.

In order to enable the Company to issue shares at an issue price which exceeds their nominal value, shareholder approval is being sought to complete a subdivision of the ordinary share capital of the Company. Each of the Existing Ordinary Shares will be subdivided into 1 New Ordinary Share and 1 Deferred Share.

Accordingly the Directors are seeking Shareholders' authority to implement the Capital Reorganisation to create a sufficient differential between the nominal value of the Ordinary Shares and their market price.

To give effect to the Capital Reorganisation the Articles will need to be amended to make changes to allow the creation of the Deferred Shares. These amendments will also require Shareholders' approval at the General Meeting.

In the Notice, Resolution 1 seeks Shareholder approval for the Capital Reorganisation and is conditional upon Resolution 2 being passed, which seeks Shareholder approval to amend the Articles.

Details of the Capital Reorganisation and the proposed amendments to the Articles are set out below.

Capital Reorganisation

As at 27 March 2024, being the latest practicable date prior to the publication of this Circular, the total issued share capital of the Company was £1,134,726.0125 divided into 453,890,405 Existing Ordinary Shares.

It is proposed that to effect the Capital Reorganisation, each of the 453,890,405 Existing Ordinary Shares will be subdivided and converted into one New Ordinary Share of £0.0001 (0.01 pence) each in the capital of the Company and one Deferred Share of £0.0024 (0.24 pence) each in the capital of the Company.

New Ordinary Shares

As a consequence of, and immediately following, the Capital Reorganisation becoming effective each Shareholder's holding of New Ordinary Shares will be the same as the number of Existing Ordinary Shares held by them on the Record Date. Each Shareholder's proportionate interest in the Company's issued ordinary share capital will, and thus the aggregate value of their holding should, remain unchanged as a result of the Capital Reorganisation.

The New Ordinary Shares will have the same rights as those currently accruing to the Existing Ordinary Shares in issue under the Articles of Association of the Company, including those relating to voting and entitlement to dividends.

The Deferred Shares will carry the rights as set out in the articles of association of the Company as amended by Resolution 2 and as summarised below.

It is expected that the last day of dealings on the London Stock Exchange in Existing Ordinary Shares will be 22 April 2024 and the effective date for dealings to commence in New Ordinary Shares will be 23 April 2024.

Following the Capital Reorganisation becoming effective the ordinary share capital will comprise a total of 453,890,405 New Ordinary Shares. This assumes that no other shares are issued following the exercise of any existing convertible securities to subscribe for ordinary shares in the capital of the Company between 27 March 2024 (being the latest practicable date prior to the printing of this Circular) and the date the Capital Reorganisation becomes effective (expected to be 8.00 a.m. on 23 April 2024).

If Resolutions 1 and 2 are approved, the New Ordinary Shares will be admitted to trading on AIM.

Based on current UK tax legislation, the Capital Reorganisation should not be treated as a disposal for the purposes of UK capital gains tax. The Capital Reorganisation should also not be treated as giving rise to any distribution for income tax purposes. If you are in any doubt as to your personal tax status, you should consult your own professional adviser.

No new share certificates representing the New Ordinary Shares will be sent to Shareholders who hold Existing Ordinary Shares in certificated form. Accordingly, share certificates for the Existing Ordinary Shares will remain valid, and will only be replaced by share certificates for New Ordinary Shares when the old share certificates are surrendered for cancellation following the transfer, transmission or other disposal of New Ordinary Shares.

Shareholders who hold their Existing Ordinary Shares in uncertificated form through CREST should expect to see the security description updated for the existing ISIN number (GB00B0999995), in order to reflect their holding in New Ordinary Shares on 23 April 2024.

Holders of convertible securities over Existing Ordinary Shares will maintain the same rights as currently accruing to them and will not be issued with new certificates in respect of such convertible securities.

Deferred Shares

The Deferred Shares created will be effectively valueless as they will not carry any rights to vote or dividend rights. In addition, holders of Deferred Shares will only be entitled to a payment on a return of capital or on a winding up of the Company after each of the holders of Ordinary Shares have received a payment of £1,000,000 on each such share. The Deferred Shares will not be traded on AIM or listed and will not be transferable without the prior written consent of the Board. No share certificates will be issued in respect of the Deferred Shares, nor will CREST accounts of Shareholders be credited in respect of any entitlement to Deferred Shares.

The intention is that Deferred Shares will be cancelled in due course following a court approved reduction of capital or other means, if available.

Changes to the Company's articles of association

In connection with the Capital Reorganisation, the Company also proposes to amend its articles of association to include the rights and restrictions attaching to the Deferred Shares, as set out above.

The Resolutions include a resolution to amend the Company's articles of association by including a new article setting out the rights of the Deferred Shares as summarised above under the heading "Deferred Shares".

Admission and Total Voting Rights

Application will be made to the London Stock Exchange for admission of the New Ordinary Shares to trading on AIM, which is expected to occur at 8.00 a.m. on 23 April 2024.

Following Admission of the New Ordinary Shares, assuming no other issue of new Ordinary Shares takes place (such as from the exercise of any convertible securities) prior to the General Meeting, the total issued share capital of the Company with voting rights will comprise 453,890,405 New Ordinary Shares.

The Company does not hold any Ordinary Shares in treasury. Therefore, following Admission of the New Ordinary Shares, the above figure of 453,890,405 New Ordinary Shares may be used by Shareholders as the denominator for the calculations by which they will determine if they are required to notify their interest in, or a change to their interest in, the share capital of the Company under the FCA's Disclosure, Guidance and Transparency Rules.

11. General Meeting

The General Meeting will be held at the offices of Fieldfisher LLP, Riverbank House, 2 Swan Lane, London EC4R 3TT commencing at 11.00 a.m. on 22 April 2024. The resolutions to be proposed at the General Meeting are as follows:

- (a) an ordinary resolution to approve the Capital Reorganisation (Resolution 1). Resolution 1 will be conditional on the admission of the New Ordinary Shares to trading on AIM and subject to the passing of Resolution 2;
- (b) a special resolution to amend the Company's articles of association to include the rights and restrictions attaching to the Deferred Shares (Resolution 2);
- (c) a special resolution to approve the Cancellation (Resolution 3);
- (d) a special resolution to approve the Re-registration and adoption of the New Articles (Resolution 4). Resolution 4 will be subject to and conditional upon the Cancellation becoming effective;
- (e) an ordinary resolution authorising Directors to allot up to 300,000,000 new Ordinary Shares (Resolution 5); and
- (f) a special resolution disapplying pre-emption rights in respect of allotments of new Ordinary Shares for cash (Resolution 6).

12. Action to be taken

In line with the Company's approach at annual general meetings, hard copy proxy forms are not being sent to Shareholders in connection with the General Meeting. The Company would like to encourage Shareholders to vote electronically or appoint a proxy electronically, which can be done via www.signalshares.com, via the LinkVote+ app or, where Ordinary Shares are held in CREST, via CREST. Institutional investors may also be able to appoint a proxy electronically via the Proxymity platform. Shareholders may also request a hard copy form of proxy directly from the Company's registrar, Link Group, by calling 0371 664 0300 or by emailing shareholderenquiries@linkgroup.co.uk. Notwithstanding the method of appointment, proxy appointments must be received by Link Group by 11.00 a.m. on 18 April 2024, being 48 hours before the time fixed for the General Meeting. Further details of the proxy appointment methods are set out in the Notice of General Meeting.

Shareholders are encouraged to appoint the chair of the General Meeting as their proxy with directions as to how to cast their vote on the Resolutions proposed. For further details on how to submit a proxy vote, see the notes to the Notice of General Meeting at Part IV of this Circular.

The appointment of a proxy will not preclude Shareholders from attending and voting in person at the General Meeting should they wish to do so.

13. Recommendation

For the reasons noted above, the Directors consider that the Resolutions to be put to the meeting are in the best interests of the Company and its Shareholders as a whole and therefore unanimously recommend that you vote in favour of all of the Resolutions to be proposed at the General Meeting, as the Directors intend to do in respect of their own aggregate holdings of 22,290,702 Ordinary Shares, representing approximately 4.91 per cent. of the Company's issued share capital as of the date of this Circular.

Yours faithfully,

Trevor Francis

Non-Executive Chairman

PART II

PRINCIPAL EFFECTS OF THE PROPOSED CHANGES ARISING FROM THE ADOPTION OF THE NEW ARTICLES

1. Accounts

A public company is required to file its accounts within six months following the end of its financial year and then to circulate copies of the accounts to Shareholders. Following the Re-registration and the adoption of the New Articles, the period for the preparation of accounts is extended to nine months following the end of the financial year. The Company will still be required to circulate accounts to Shareholders (although the period for doing so is extended for private companies).

2. General meetings and resolutions

A public company is required to hold an annual general meeting of Shareholders each year, whereas a private company is not. Therefore, following the Re-registration and the adoption of the New Articles the Company will not hold annual general meetings.

In addition, after the Re-registration, resolutions of the Shareholders of the Company may be obtained via written resolutions, rather than via physical meetings. This is done by obtaining the approval in writing to that resolution of the holders of a majority of voting shares then in issue (in the case of ordinary resolutions) and the holders of 75 per cent of the voting shares then in issue (in the case of special resolutions) although the Company will continue to hold general meetings (other than annual general meetings) for at least 1 year following the Cancellation and Re-registration to ensure that Shareholders have the opportunity to meet the Directors and discuss the Company.

3. Directors

The Company's existing articles of association contain provisions requiring one third of the Directors to retire by rotation at every annual general meeting. These provisions have been removed in the New Articles. In addition, the New Articles will not require any Director appointed by the Board to be re-appointed by the Shareholders at the next annual general meeting following his appointment, as is currently required.

4. Issue of shares for non-cash consideration

As a public company, there are restrictions on the ability of the Company to issue new shares, for example, by requiring the Company to obtain a valuation report in the case of shares issued for non-cash consideration. These restrictions will not apply following the Re-registration and adoption of the New Articles.

5. Refusal to register a share transfer

The Board will in the New Articles have absolute discretion to refuse to register any share transfer that is not made in accordance with the share transfer provisions in the New Articles (whether the share is paid up or not).

6. Financial assistance, reductions of capital and purchase of own shares out of capital

As a public limited company, the Company is currently prohibited from performing actions which constitute financial assistance for the acquisition of its own shares. This limits the ability of the Company to engage in certain transactions. However, following the Re-registration, these restrictions will no longer apply.

In addition, the Company must currently obtain the sanction of the Court for any reduction of capital, which can be a lengthy and expensive process. However, following the Re-registration, the Company will be able to take advantage of more flexible provisions applicable to private companies, which do not require the approval of the Court. Similarly, following Re-registration, the Company will be able to effect buy backs of shares out of capital, which it is currently prohibited from doing as a public limited company.

7. Company Secretary

There is no requirement for a company secretary to be appointed, although the Company may appoint one should it wish.

8. Removal of unnecessary provisions and simplification

The New Articles will not contain many of the detailed provisions of the existing articles of association which are common for listed companies, and which will not be necessary for the Company following the Cancellation. Many of these provisions duplicate provisions of company law or can be simplified.

PART III

THE TAKEOVER CODE

The Takeover Code currently applies to the Company and will do so for 10 years following the Cancellation (subject to the Re-registration occurring). However, once the 10 year period referred to has expired, the Takeover Code will not apply to the Company and will not apply to any offer made to Shareholders to acquire their Ordinary Shares subsequent to the 10 year period following the Re-registration of the Company as a private company. However, the Takeover Code may cease to apply earlier if a majority of the Directors cease to be resident in the UK, Channel Islands or Isle of Man.

Shareholders should note that, if the Cancellation becomes effective (and subject to the Re-registration occurring), after the expiry of 10 years from the date of the Cancellation (or such other date at which the Takeover Code ceases to apply to the Company) they will not receive the protections afforded by the Takeover Code in the event that there is a subsequent offer to acquire their Ordinary Shares.

The Takeover Code applies to all offers for companies which have their registered office in the United Kingdom, the Channel Islands or the Isle of Man if any of their equity share capital or other transferable securities carrying voting rights are admitted to trading on a UK regulated market or a UK multilateral trading facility or on any stock exchange in the Channel Islands or the Isle of Man.

The Takeover Code also applies to all offers for companies (both public and private) which have their registered office in the United Kingdom, the Channel Islands or the Isle of Man which are considered by the Panel to have their place of central management and control in the United Kingdom, the Channel Islands or the Isle of Man, but in relation to private companies only if one of a number of conditions is met – for example, if the company's shares were admitted to trading on a UK regulated market or a UK multilateral trading facility or on any stock exchange in the Channel Islands or the Isle of Man at any time in the preceding ten years.

If the Cancellation and Re-registration are approved by Shareholders at the General Meeting the Company will be re-registered as a private company and its securities will no longer be admitted to trading on a regulated market or a multilateral trading facility in the United Kingdom. In these circumstances, the Takeover Code will only apply to the Company if it is considered by the Panel to have its place of central management and control in the United Kingdom, the Channel Islands or the Isle of Man. This is known as the “residency test”. In determining whether the residency test is satisfied the Panel has regard primarily to whether a majority of a company's directors are resident in these jurisdictions.

On the basis of the current residency of the Directors, the Company will have its place of central management and control in the United Kingdom following the Cancellation. In light of the Re-registration, and provided that the Company's place of central management and control continues to be considered by the Panel to be in the United Kingdom, the Takeover Code will apply to the Company for 10 years following the Cancellation, including the requirement for a mandatory cash offer to be made if either:

- a person acquires an interest in shares which, when taken together with the shares in which persons acting in concert with it are interested, increases the percentage of shares carrying voting rights in which it is interested to 30 per cent. or more; or
- a person, together with persons acting in concert with it, is interested in shares which in the aggregate carry not less than 30 per cent. of the voting rights of a company but does not hold shares carrying more than 50 per cent. of such voting rights and such person, or any person acting in concert with it, acquires an interest in any other shares which increases the percentage of shares carrying voting rights in which it is interested.

Brief details of the Panel, the Takeover Code and the protections given by the Takeover Code are described below. **Before giving your consent to the Cancellation and Re-registration, you may want to take independent professional advice from an appropriate independent financial adviser.**

The Takeover Code

The Takeover Code is issued and administered by the Panel. The Company is a company to which the Takeover Code applies and its Shareholders are accordingly entitled to the protections afforded by the Takeover Code.

The Takeover Code and the Panel operate principally to ensure that shareholders are treated fairly and are not denied an opportunity to decide on the merits of a takeover and that shareholders of the same class are afforded equivalent treatment by an offeror. The Takeover Code also provides an orderly framework within which takeovers are conducted. In addition, it is designed to promote, in conjunction with other regulatory regimes, the integrity of the financial markets.

The General Principles and Rules of the Takeover Code

The Takeover Code is based upon a number of general principles (the “**General Principles**”) which are essentially statements of standards of commercial behaviour. For your information, these General Principles are set out in Part 1 of Appendix A of this Part III. The General Principles apply to all transactions with which the Takeover Code is concerned. They are expressed in broad general terms and the Takeover Code does not define the precise extent of, or the limitations on, their application. They are applied by the Panel in accordance with their spirit to achieve their underlying purpose.

In addition to the General Principles, the Takeover Code contains a series of rules (the “**Rules**”), of which some are effectively expansions of the General Principles and examples of their application and others are provisions governing specific aspects of takeover procedure. Although most of the Rules are expressed in more detailed language than the General Principles, they are not framed in technical language and, like the General Principles, are to be interpreted to achieve their underlying purpose. Therefore, their spirit must be observed as well as their letter. The Panel may derogate or grant a waiver to a person from the application of a Rule in certain circumstances.

Giving up the protection of the Takeover Code

A summary of key points regarding the application of the Takeover Code to takeovers generally is set out in Part 2 of Appendix A of this Part III. **You are encouraged to read this information carefully as it outlines certain important protections which will cease to apply 10 years following Cancellation (subject to the Re-registration occurring) or on such other date at which the Takeover Code ceases to apply to the Company.**

APPENDIX A

Part 1: The General Principles of the Takeover Code

All holders of the securities of an offeree company of the same class must be afforded equivalent treatment; moreover, if a person acquires control of a company, the other holders of securities must be protected.

The holders of the securities of an offeree company must have sufficient time and information to enable them to reach a properly informed decision on the bid; where it advises the holders of securities, the board of the offeree company must give its views on the effects of implementation of the bid on employment, conditions of employment and the locations of the company's places of business.

The board of an offeree company must act in the interests of the company as a whole and must not deny the holders of securities the opportunity to decide on the merits of the bid.

False markets must not be created in the securities of the offeree company, of the offeror company, or of any other company concerned by the bid in such a way that the rise or fall of the prices of the securities becomes artificial and the normal functioning of the markets is distorted.

An offeror must announce a bid only after ensuring that he/she can fulfil in full any cash consideration, if such is offered, and after taking all reasonable measures to secure the implementation of any other type of consideration.

An offeree company must not be hindered in the conduct of its affairs for longer than is reasonable by a bid for its securities.

Part 2: Detailed application of the Takeover Code

The following is a summary of key provisions of the Takeover Code which apply to transactions to which the Takeover Code applies. You should note that 10 years after the Cancellation (subject to the Re-registration occurring) you will be giving up protections afforded by the Takeover Code although the Takeover Code may cease to apply earlier if a majority of the Directors cease to be resident in the UK, the Channel Islands or the Isle of Man.

Equality of treatment

General Principle 1 of the Takeover Code states that all holders of securities of an offeree company of the same class must be afforded equivalent treatment. Furthermore, Rule 16.1 requires that, except with the consent of the Panel, special arrangements may not be made with certain shareholders in the Company if there are favourable conditions attached which are not being extended to all shareholders.

Information to shareholders

General Principle 2 requires that holders of securities of an offeree company must have sufficient time and information to enable them to reach a properly informed decision on a bid. Consequently, a document setting out full details of an offer must be sent to the offeree company's shareholders.

The opinion of the offeree board and independent advice

The board of the offeree company is required by Rule 3.1 of the Takeover Code to obtain competent independent advice as to whether the financial terms of an offer are fair and reasonable and the substance of such advice must be made known to its shareholders. Rule 25.2 requires that the board of the offeree company must send to the offeree company's shareholders and persons with information rights its opinion on the offer and its reasons for forming that opinion. That opinion must include the board's views on: (i) the effects of implementation of the offer on all the company's interests, including, specifically, employment; and (ii) the offeror's strategic plans for the offeree company and their likely repercussions on employment and the locations of the offeree company's places of business.

The circular from the offeree company must also deal with other matters such as interests and recent dealings in the securities of the offeror and the offeree company by relevant parties and whether the directors of the offeree company intend to accept or reject the offer in respect of their own beneficial shareholdings.

Rule 20.1 states that, except with the consent of the Panel or as provided in the Notes on Rule 20.1, information and opinions relating to an offer or a party to an offer must be made equally available to all offeree company shareholders and persons with information rights as nearly as possible at the same time and in the same manner.

Optionholders and holders of convertible securities or subscription rights

Rule 15 of the Takeover Code provides that when a Takeover Code offer is made for voting equity share capital or other transferable securities carrying voting rights and the offeree company has convertible securities outstanding, the offeror must make an appropriate offer or proposal to the stockholders to ensure their interests are safeguarded. Rule 15 also applies in relation to holders of options and other subscription rights.

If the Cancellation occurs, 10 years following the Cancellation (subject to Re-registration having occurred) or on such other date at which the Takeover Code ceases to apply to the Company, these protections will be lost.

Notes to the Notice of General Meeting:

Entitlement to attend and vote

- (1) Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001 (as amended), the Company specifies that only shareholders entered on the register of members of the Company at 6.00 p.m. on 18 April 2024 (or in the event that this meeting is adjourned, on the register of members at 6.00 p.m. on the day preceding the date fixed for the adjourned meeting) shall be entitled to attend and vote at the meeting in respect of the number of ordinary shares of the Company registered in their name at that time. Changes to the register after the relevant time shall be disregarded in determining the rights of any person to attend and vote at the meeting.

Appointment of proxies

- (2) A shareholder is entitled to appoint one or more proxies to exercise all or any of his or her rights to attend and to speak and vote at the meeting. A proxy need not be a shareholder of the Company. A shareholder may appoint more than one proxy in relation to the meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder.
- (3) The appointment of a proxy will not preclude a shareholder from attending in person at the meeting and voting if he or she wishes to do so. Unless otherwise indicated on the Form of Proxy, CREST, Proxymity or any other electronic voting instruction, the proxy will vote as they think fit or, at their discretion, withhold from voting.

Appointment of a proxy online

- (4) Members may appoint a proxy online at www.signalshares.com (the "**Website**") by following the on-screen instructions, in particular at the "Proxy Voting" link, by no later than 11 a.m. on 18 April 2024. In order to appoint a proxy using the Website, members will need to log into their Signal Shares account, or register if they have not previously done so. To register members will need to identify themselves with their Investor Code which is detailed on their share certificate or available from our Registrar, Link Group, via email at shareholderenquiries@linkgroup.co.uk or on Tel: 0371 664 0300. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 09:00 – 17:30, Monday to Friday excluding public holidays in England and Wales.
- (5) LinkVote+ is a free app for smartphone and tablet provided by Link Group. It offers shareholders the option to submit a proxy appointment quickly and easily online, as well as real-time access to their shareholding records. The app is available to download on both the Apple App Store and Google Play, or by scanning the relevant QR code below.

Appointment of proxy using a form of proxy

- (6) Alternatively, you may request a hard copy form of proxy directly from our Registrar, Link Group, on Tel: 0371 664 0300 or by emailing shareholderenquiries@linkgroup.co.uk. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 09:00 – 17:30, Monday to Friday excluding public holidays in England and Wales.
- (7) To appoint a proxy using a hard copy form of proxy a member must complete, sign and date the proxy form and deposit it at the office of the Company's Registrars, Link Group, PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL not less than 48 hours, excluding non-working days, before the time fixed for the meeting. Any power of attorney or any other authority under which the proxy form is signed (or a duly certified copy of such power or authority) must be enclosed with the proxy form.

Appointment of proxy through CREST or Proxymity

- (8) CREST members who wish to appoint a proxy or proxies for the meeting, including any adjournments of the meeting, through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual (available via www.euroclear.com). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
- (9) In order for a proxy appointment made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & International Limited's ("Euroclear") specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by Link Group (whose CREST ID is RA10) no later than 48 hours (excluding non-business days) before the time fixed for the holding of the meeting or any adjournment of the meeting (as the case may be). For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which Link Group is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

- (10) CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular message. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member, or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
- (11) The Company may treat a CREST Proxy Instruction as invalid in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
- (12) Proximity Voting – if you are an institutional investor you may also be able to appoint a proxy electronically via the Proximity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proximity, please go to www.proximity.io. Your proxy must be lodged by 11.00 a.m. on 18 April 2024 in order to be considered valid or, if the meeting is adjourned, by the time which is 48 hours before the time of the adjourned meeting. Before you can appoint a proxy via this process you will need to have agreed to Proximity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy. An electronic proxy appointment via the Proximity platform may be revoked completely by sending an authenticated message via the platform instructing the removal of your proxy vote.

Changing proxy instructions

- (13) To change your proxy instructions, simply submit a new proxy appointment using one of the methods set out above. Note that the cut-off time for receipt of proxy appointments also apply in relation to amended instructions; any amended proxy appointment received after the relevant cut-off time will be disregarded. If the Company receives more than one appointment of a proxy in respect of any one share, the appointment received last revokes each earlier appointment and the Company's decision as to which appointment was received last is final.

Termination of proxy appointments

- (14) In order to revoke a proxy appointment you must notify the Company of the termination at least three hours before the commencement of the meeting.

Joint shareholders

- (15) In the case of joint shareholders, the vote of the senior who tenders a vote, whether in person (including by corporate representative) or by proxy, shall be accepted to the exclusion of the votes of the other joint shareholders. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members.

Corporate representatives

- (16) A corporation which is a shareholder may, by resolution of its directors or other governing body, authorise one or more persons to act as its representative at the meeting. Corporate representatives should bring with them to the meeting: (i) an original or certified copy of the resolution authorising them; or (ii) an original letter on the shareholder's letterhead, signed by an authorised signatory, confirming that they are so authorised.

Issued shares and total voting rights

- (17) As at the date of this notice of General Meeting, the Company's issued share capital comprised 453,890,405 ordinary shares of £0.0025 each fully paid.
